* Payments to Cunningham and Walsh, Inc., for advertising and associated production costs represent expenditure on our advertising campaign for 1965/66. We have maintained such advertising programs over recent years; the amount spent on these programs varies from year to year, according to the availability of funds for this purpose. Cunningham and Walsh, Inc. acts as our advertising agency and is responsible for carrying into effect the advertising campaign approved by our headquarters in Australia. There is no formal contractual agreement with the agency, which looks after our account on the usual basis and collects its commission arising from the placement of advertising.

** The sums of \$9,415 and \$5,500 paid to the Pacific Area Travel Assocn. represent dues assessed by that Association, covering its member countries and others interested in the promotion of travel to the Pacific area. Since the dues paid to the Pacific Area Travel Association vary each year according to the assessment, we have no formal agreement on the subject but accept the responsibility to meet the assessments as they are made.
